

NOVICE

Your son/ daughter has been selected to move into our Novice squad. This is one of the newer sections of the club and is an extension to our floor and vault squad. It gives our gymnasts the opportunity to compete more often and on multiple pieces of apparatus. Gymnasts in this section will enter 3 -4 competitions a year.

Your son/daughter will compete in our floor and vault squad but now also compete in the novice competitions. Novice competitions cover all pieces of apparatus, 4 piece for girls and 6 pieces for boys. Each gymnast is required to compete on all pieces of apparatus but their final score is determined after 'dropping' their weakest score.

There are 3 different levels Beginner, Intermediate and Advanced; the coach will pick the most appropriate level for the gymnast.

We do ask for commitment when accepting a place in this section and attendance is vital if your child wants to consistently improve their gymnastics,

Arriving on time is also important as gymnasts warm up and condition early on in the session. Poor attendance may unfortunately result in your son/daughter being asked to train with a different group that requires less commitment. We ask that your son/daughter is available for all competition dates and again, if there are multiple absences, they will forfeit their place in the competitive squad.

If you are going to be absent we do ask that you contact one of the coaches.

Fees, Competition Entry and Levy

In addition to fees, as part of a competition squad you are required to pay an annual competition levy, currently £35.00. This is to help pay for coaches and judges attendance at the competitions and all the additional expenses incurred.

Individual competition entry fees will also apply.

Competition Kit

Full Park Wrekin competition kit is mandatory to compete at this level. All kit can be purchased from the kit shop (please note this is not required for training).

Gymnasts should train in leotards, no crop tops and leggings are permitted.

If you have any questions please feel free to email the Club.
